AUSTRALIAN SPIRITS WITH TERROIR

A UNIQUE TERROIR OF SOIL, CLIMATE AND PLACE CREATE A RANGE OF PREMIUM SPIRITS AND LIQUEURS LIKE NO OTHER.

Expertly curated Australian native botanicals and ingredients nurtured by Australian sunshine and rain are pot-distilled with love, art & science, on the beautiful sub-tropical Sunshine Coast, a UNESCO recognized biosphere.

The home of **SUNSHINE & SONS** is minutes from many of Australia's best beaches and is surrounded by lush, verdant rain forest cared for by the traditional custodians of the land, the Gubbi Gubbi people, for over 60,000 years.

ESCAPE TO SUNSHINE

IT'S ALL IN THE NAME

SUNSHINE. FAMILY (AND FRIENDS). ESCAPE.

Sunshine & Sons proudly call the beautiful Sunshine Coast, Queensland, Australia, home.

Our two favourite things in the world are feeling the lingering warmth of **SUNSHINE** on our skin.

And shared precious moments with **FAMILY (AND FRIENDS)**.

Wherever we are and what ever we are doing both feel like an **ESCAPE**. Of what it's like to get away. To be free.

Our name **SUNSHINE & SONS**, our Spirits, our nostalgic imagery and the native Australian Pacific Gulls floating high in the sky above on our logo and bottle neck capture that feeling of escape.

ESCAPE TO SUNSHINE

THE COAST SPIRIT

IT'S ABOUT LOVE, FRIENDSHIP, CARING,
LISTENING, TOGETHERNESS, WARMTH, AND
OF COURSE SUNSHINE.

SUNSHINE & SONS is everything you love about our part of the world and everything we love about premium spirits. It's the feeling of escape. Of what it's like to get away. To be free.

To share lazy, laid-back sub-tropical days and nights on any one of the coast's incredible ocean beaches and long walks through rainforest cared for by the traditional custodians of the land, the Gubbi Gubbi people, for over 60,000 years.

When you know you are really in the best place on earth and in the place, you are meant to be, with the people you love creating shared memories that will last a life-time and shape you to be the very best version of your self.

We call it **THE COAST SPIRIT**.

ESCAPE TO SUNSHINE

WHAT WE BELIEVE IN

NATURE

In partnership with passionate and like minded suppliers our spirits showcase the finest Australian native botanicals and ingredients.

We use sub-tropical rainwater, harvested from the roof above our stills, throughout our Distillery.

Sunshine & Sons Spirits are chemical free, additive free, coloring free, preservative free, grain free, and vegan friendly.

ENVIRONMENT

Reclaimed distillery waste makes locally farmed beef and dairy cows VERY HAPPY. And fatter and healthier and more productive. according to local Sunshine Coast cattle farmers who love the results as much as the cows love the addition to their diet.

We use optimised and energy efficient 100% LPG steam heating and >90% evaporative cooling.

We exclusively use non printed recycled kraft board for packaging and shipping.

COMMUNITY

We wish the world had more of The Coast Spirit. And, for our part, we're committed to working hard every day to make it so.

We have assisted community groups raise over AUD 1,000,000 for charity – including humanitarian de-mining in Ukraine.
