DESPERANDUM
NOTHING TO DESPAIR

There's only one way we would contemplate corrupting
AUSTRALIA'S FINEST RUM, and that's **ARTFULLY**.

ARTFULLY CORRUPTED RUM

At Nil Desperandum we are passionate about supporting artists and local talent and what better way to do so than collaborate on our **ARTFULLY CORRUPTED** range with local artist Mackenzie Clark and international artist Viktoriia Kartashova.

The talented local artist Mackenzie Clark brought our vision for **ARTFULLY CORRUPTED SPICED** and **BLACK** to life. And continuing with our support for Ukraine, our third **ARTFULLY CORRUPTED ORANGE** features the works of Viktoriia Kartashova.
