

ORIGINAL · CANE ·

A wild fermented and double distilled sugar cane spirit that tastes like the coast feels.

Tasting Notes

Locally sourced sugar cane juice, wild fermented then double pot-distilled in the Sunshine Coast hinterland rainforest.

On opening the bottle you will find the aroma carries the essence of fresh sugar cane; grassiness, herbal, floral, pear oil, fresh cucumber, fresh cane leaves, and lightly made toffee and syrup.

On the palate are rich, ripe, juicy sugar cane notes, grassiness, and floral notes. It is herbaceous with a lovely soft spirit texture. With subtle hints of rose, candied lollies and lavender oils, Sunshine & Sons Original Cane is very aromatic and lifted on the palate with balanced sweetness added to give extra richness and uniqueness.

Key Selling Points

Sunshine Coast is famous for Sugar Cane. Brazil is famous for cachaca. With a nod to our fellow South of the Equator friends Original Cane is just as good, some say better.

Rich, green, grassy and herbaceous. Double pot-distilled from local Maroochy River sugar cane juice crushed in the field and wild fermented.

Delicately sweetened with cane juice post distillation so you don't have to. Perfect for Caipirinhas and any white rum cocktail.
