A traditional dry gin with native Australian botanicals and an ability to put stuff off until tomorrow.

Tasting Notes

Pot-distilled in the Sunshine Coast hinterland rainforest with a carefully curated mix of native and traditional botanicals. Soft, rounded, and expressive, it's a traditional dry gin with a local flavour - slight floral and citrus edge.

Included in the botanical mix are Pomegranate, Lavender and Pink Rose Petals which dance around the edge of the aroma platform and give this gin a memorable and pretty finish.

Visual | Clear and crystal

Aroma | Clean, lifted, pretty. Aromas of juniper, rose petals, lavender

Palate | Soft, very textured, silky

Key Selling Points

Unique and memorable. Delicately floral led by Juniper with Pink Rose Petal, Lavender and Australian Native Pepperberry.

Vibrant and refreshing. At its best as a G&T garnished with pomegranate seeds, rose petals or juniper berries. Robust flavor at 43% ABV ensures versatility in mixed and shaken classics.

Gin that feels like no other. A mouth feel that is smooth, soft, velvety and spongy. Pot-distilled. Grape not grain. Woombye water.
